

Alert Bulletin

What is happening...

Drivers and visitors are abusing the site rules when visiting Tata Steel Unknown persons abandoned potentially lethal Chemicals, with no regard for other site users or the environment in Scunthorpe.

A driver arrived with cargo refused from a previous load. Again potentially **Hazardous cargo.**

Other examples of poor standards include but are not limited to:
 Poor driver standards leaving ancillary equipment strewn across the trailer parks.
 Poor control of Repair contractors.

Always use facilities provided. Never bring hazardous waste onto site, dispose of responsibly. Keep running costs down by Improving driver standards.

**You are reminded to arrive with a clean trailer fit for use!
 Unfit trailers will be removed from site!!**
