## Summer Alert Bulletin:- Unauthorised Passengers on Site, Gas Cookers and Canisters, PPE

### Unauthorised Passengers

As always, but especially during the summer months, you are reminded that **No Children or Unauthorised Passengers are permitted at customer Sites.**

**ZERO TOLERANCE** is now in place in order to ensure the safety and wellbeing of all people and personnel on sites but particularly to children and young persons.

All vehicles with **an Unauthorised Passenger (who is not a second driver or attendant) will be turned away and refused loading!**

### Gas Cookers and Canisters

Gas cookers and canisters should not be used on customer sites. Please ask at sites as welfare facilities are often available.

### Summer Heat and PPE

Please remember that even in the hottest weather your **PPE MUST be worn**, the hazards remain the same no matter what the temperature.

When securing loads, Drivers can encounter sharp edges and easily cut themselves. Keeping arms, legs and hands covered can help to reduce the risk of cuts and scrapes.

**PLEASE CHECK YOUR EQUIPMENT BEFORE ENTERING THE LOADING SITE!!**
