

Tata Steel Llanwern – Change to Loading Procedure

All loads from Tata Steel Llanwern have been changed to a Live Load Operation, therefore the following list of requirements must be adhered to:

TRAINED DRIVERS

All Drivers must hold a valid P&O Driver Training card, preferably trained in 2015 v1 package. This includes the current Wide Coil in the Well Load Restraint guideline.

Please email drivertraining@pofm.com to arrange if you have not received our training package.
