

## Defect Reporting on POFM Trailers

There have been a number of incidents of faults and defects on POFM trailers not being reported for repair. Failure to report defects have resulted in:-

- Police Stops and fines for Road Worthiness offences
- Injuries to drivers and persons operating them:
  - Broken ankle due to a faulty roof.
  - Several muscle strain injuries due to faulty roof operations.

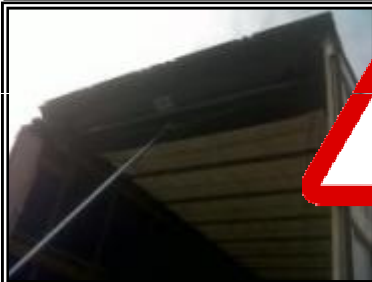

**Always complete a walk around of truck and trailer.**

**Note any damage to bodywork, mudguards, flaps, doors, curtains etc.**

**Check all lights and lighting units are fully working and intact.**

**Check sliding roof and curtains operate smoothly.**

**Check your dashboard and note any warning lights: Park brake off, Airline issues, Axle weights etc.**

**If you find a fault – Report it to POFM immediately!**
