

## Scunthorpe Gate A Approach Incidents

### What Happened:

Following several near misses involving HGV lorries turning right onto Scunthorpe British Steel works at Gate A, the below Actions must be adhered to.

### Actions:

- ✓ **Always** use the Right hand lane for turning right onto site. The Right hand lane is also for traffic going straight on therefore the Left hand lane must **NEVER** be used for turning right.
- ✓ Be vigilant of other road users
- ✓ Make your intentions known in plenty of time – Move over to the Right hand lane as soon as possible and use your Indicators!!
- ✓ Always observe the road markings
- ✓ Sat Navs do not recognise the new roundabout – please ensure you are watching the road and not the Sat Nav.
